

SESSION PROMISES TO BE A BUSY ONE

Time Allotted Appropriation Bills and General Legislation Short

HAVE NO FUTURE PLANS

No General Legislation of Importance Likely to be Enacted at Winter Session

SENATE MAY REVISE TARIFF?

WASHINGTON, NOV. 29.—How to dispose of one billion dollars worth of annual appropriation bills and transact all other general legislation in twenty-six days, is the problem worrying Speaker Champ Clark and his associate managers of the house of representatives. Republican Leader James R. Mann, just back from the Panama, dropped in today to greet the speaker and discuss prospects for the three months' session.

"We didn't make any plans for the session," said Mr. Mann later, with mild cynicism. "The truth is, the Democrats, now they have come in to power are afraid to do anything important at this short session for fear it will put them on record for the future."

Speaker Clark agreed that no plans for the future had been considered but he took a different view of the reasons why no general legislation of importance is likely to be enacted at the winter session.

"There are actually only about 26 days for work on appropriation bills and general measures," the speaker said. "There are 92 days in the session; take out 13 Sundays, 14 Christmas holidays, 13 Mondays, which are devoted alternately to District of Columbia and pension legislation, 13 Wednesdays, which are given by iron clad rule to bills in the regular calendar, and 13 Fridays devoted alternately to claims and private bills; and there are left but 26 unencumbered days for general work."

Senators and representatives poured into Washington today from all directions. Senator Gallinger, the Republican nominee for the office of pro tempore of the senate, is expected tomorrow and a Republican senatorial caucus probably will be held soon after his arrival to determine whether the New Hampshire senator should be continued as the nominee or someone else chosen for the honor.

In case a caucus is held there will be more interest in the personnel of its membership than in the subject of discussion. Senator Dixon of Montana, who was Colonel Roosevelt's manager, said today that he did not contemplate participating in another Republican caucus; and Senator Poindexter has announced publicly his withdrawal from the Republican party. Other Progressive senators have remained silent on this subject.

Senator Bacon, now the temporary presiding officer of the senate, has taken up with returning senators the question of procedure for next Monday. It is believed that after convening the senate will be officially informed first of the death of Senators Heyburn and Rayner and that Senator Root will then officially announce the death of Vice-President Sherman and present a resolution for immediate adjournment.

Senate May Undertake Tariff.
Representative Oscar W. Underwood, Democratic tariff leader of the house, when he begins tomorrow his conferences with house associates over the plans for tariff revision next spring, will be met with a suggestion from senate Democrats that the senate be given a first-hand chance at the framing of the tariff bills for the next administration. Chairman Underwood will be urged to make the senate an integral part of his tariff machine from the beginning of work on the bills for the special session. The plan urged by Democratic members of the senate finance committee is that that body and the house ways and means committee be converted informally into a joint body, and that the two houses work in harmony from the beginning for the tariff legislation of the Democratic administration next summer.

Representative Underwood's arrival in Washington tonight will bring tariff plans to the front. Members of the ways and means committee have been urged by the chairman to withhold expression of opinions, but many of them have publicly declared in favor of a revision of the tariff schedule by schedule, the plan will be favored, it is believed, by Chairman Underwood.

PRELIMS FORM UNION.
Los Angeles, Cal., Nov. 29.—Preliminary fighters, who whet spectators' appetites by their four round performances preceding big matches, have organized a union. They demand \$25 each, per fight, which is at the rate of three dollars per fighting minute and claim sixty-seven members so far. Most champions start as "pork and beaners" and promoters heretofore have handled these lads on a sort of apprenticeship basis putting up tiny purses and expecting the beginners to be satisfied with the splendid experience they get.

KIRBY TESTIFIES IN ATTEMPT TO SAVE WIFE

TAKES ALL BLAME FOR TRANSACTIONS CAUSING FAILURE OF BANK

Says Wife Never Got a Dollar of the Money or Knew Anything of His Transactions—Declares He Was "One of the Market Street Gang."

CHICAGO, NOV. 29.—Dr. William T. Kirby, banker-physician, dramatic and weeping at intervals, testified before federal Judge Landis today to save his wife from possible punishment for contempt of court by shouldering all the blame of various transactions which precipitated the failure of the Kirby Savings bank.

The banker was placed on the stand at the conclusion of the case against Mrs. Kirby. Later he was questioned in his own behalf, similar proceedings being against him in which a demand to turn over \$10,000 has been made by Judge Landis. "My wife never got a dollar of the \$20,000," said Kirby. "She brought \$10,000 in one thousand bills to the Blackstone hotel. I had already taken \$10,000 from the bank myself. I had \$20,000 in a satchel when I left the Blackstone in a taxi-cab with a man whom I don't know. We drove to a Michigan avenue store. We went to the rear of building. I handed some of the \$20,000 to the man and put some of it in my own pocket. My wife got none of the money, nor did she know anything of my transactions."

The owner of the private bank said that the fictitious accounts in the names of "Mrs. N. S. Lamb" and "Miss E. Walsh" which previous testimony showed Mrs. Kirby had opened were made at his command, but he failed to explain why this was done. When asked regarding a change in his telephone number, Dr. Kirby broke down and wept when he said that at the time of the change of number, one of his babies was born.

"My God," he said to Attorney Edward B. Healy, "I'm only a human. Give me a chance. Give me time to explain this whole story."

He was questioned at length about consultations with lawyers and during the examination his past life was gone into. During the recital Mr. Kirby said he was born in Chicago and was "one of the Market street gang." The prosecuting attorney asked if he meant to say he was one of the "toughs, hoodlums and crooks" that composed the Market street gang.

"I don't know about that," Kirby replied.

CALL MONEY IS LOANED AT 20 PER CENT AT CLOSE OF EXCHANGE

Flurry Created by an Increased Demand from Borrowers and Further Calling of Loans by Clearinghouse Banks.

New York, Nov. 29.—Call money loaned at 20 per cent just before the close of business on the stock exchange today. The flurry was created by an increased demand from borrowers and further calling of loans by clearinghouse banks.

Various factors entered into today's stringency including the condition of the local banks whose reserve had been very much depleted by losses to the sub-treasury. These have been partly offset by receipts from the interior which may save tomorrow's cash reserve from showing a deficit.

Money opened at 6 per cent today and loans were made at 7. It was not until the final hour that the rate rose to 10 and in the final fifteen minutes jumped successfully from 10 to 15 then 18 and finally to 20. The rate has not been equalled in several years, the nearest approach to it being in January of 1910 when the maximum rate was 14 per cent.

Loans made today will carry over until next Monday which marks the final month of the year and on which day payments aggregating \$100,000,000 will be made in interest and dividends.

STOVALL WILL MANAGE BROWNS

Los Angeles, Nov. 29.—Robert Hedges, president of the St. Louis American league baseball team, who is in Los Angeles, announced today that George Stovall would continue to act as manager of that club.

Hedges in thus disposing of the rumor that he had attempted to secure Roger Bresnahan, deposed manager of the St. Louis Nationals declared he was thoroughly satisfied with Stovall's work. Hedges said he had tried hard to obtain Bresnahan's services as a catcher but not in manager's capacity.

HUNDREDS ATTEND BRUSH FUNERAL

Indianapolis, Nov. 29.—Hundreds of friends of John T. Brush, including fifty baseball owners and managers from out of the city, attended the funeral of the late president of the New York National baseball league, here today.

Clubs in New York city and Indianapolis, of which Mr. Brush was a member, also attended. The funeral services at St. Paul's church were in charge of local Masons. The pall bearers were officials of the National league.

JACKSON SUCCEEDS RAYNOR.
Baltimore, Md., Nov. 29.—Governor Goldsborough tonight announced the appointment of William P. Jackson Republican national committeeman for Maryland to succeed the late United States Senator Isador Raynor.

CHRONOLOGY OF DETECTIVE'S WORK

Required Over Five Months to Arrest James B. McNamara

DETECTIVES ON STAND

Give Dates and Facts Concerning Arrests and Shadowing of Dynamiters at Trial

CAMP NEAR HUNTING PARTY

INDIANAPOLIS, IND., NOV. 29.—Five months and six days was fixed by witnesses at the dynamite conspiracy trial today as the time it required to arrest James B. McNamara, dynamiter of the Los Angeles building in which twenty-one persons were killed, after the dynamiter had been pointed out to detectives. The substance of the testimony as to date was:

Nov. 2, 1910.—One month and one day after the Los Angeles explosion, in a hotel lobby in Chicago, Herbert S. Hockin, secretary of the iron workers' union and accused "betrayer" of the dynamiters, gave to Raymond J. Burns, son of the detective who finally made the arrests, a full description of McNamara and Orrie McManigal.

Nov. 6.—At Kenosha, Wis., Detective William Otts and Benjamin F. Damon found McManigal had been joined by McNamara, who, under the name of "Frank Sullivan," accompanied the hunting party to Conover, where, from Nov. 8 to Dec. 4, the detectives "shadowed" the dynamiters by talking to them in camp and observing through field glasses. Finally McNamara and McManigal returned to Chicago on a train on which there were no detectives.

In January, 1911, Raymond Burns met Hockin in Chicago and asked him the whereabouts of McManigal, who in the meantime had been to Los Angeles and caused the explosion there of the Llewellyn Iron Works.

James B. McNamara and McManigal were arrested on April 12, 1911, and John J. McNamara was arrested on April 22, 1911. Ten explosions occurred between December, 1910, and the time of the arrests.

Raymond Burns said he had received information from Lindsey J. Jewell, then in Pittsburgh, who testified that Hockin, two months before the Los Angeles explosion, had given the locations of hiding places for explosives. Jewell was going to Panama as an engineer and had urged Hockin to report Burns. Raymond Burns was the chief witness today and it was his testimony that supplied the data for the above statement.

Raymond told about meeting Hockin and the information he got from him.

Ots and Damon testified about following the dynamiters to Conover hunting camp.

Ots said once he found James B. Hockin and got pretty well acquainted with him. He also said he took photographs of the dynamiter. When the dynamiters left Conover, he said, he did not know where they went.

"When you were following them around camp, looking at them through field glasses and talking to them in the lodging house, didn't you know what they were suspected of?" was asked Damon by the defense.

"I had no information as to what they were wanted for, but I had an idea," replied Damon.

"You were just obeying orders to report on their doings."

"That's all."

"You weren't ordered to make any arrests at that time?"

"No."

EXPLOSION NEAR JOHNSON RESIDENCE

Chicago, Nov. 29.—A mysterious explosion tonight in the rear of the home of Jack Johnson, the negro pugilist now under indictment for alleged violations of the Mann act, caused excitement among the neighbors who believed an attempt had been made to dynamite the house that the negro recently gave his mother. The explosion tore a large hole in a barn next door to the Johnson home. The police are investigating the explosion.

ORDER CRUISER'S RETURN

Washington, Nov. 29.—Peace has been practically restored in the Dominican republic, and the navy department today ordered the auxiliary cruiser Prairie to sail at once for Philadelphia bringing home the 750 American marines who have been cooped up aboard the cruiser for the last two months vainly awaiting an opportunity for short service. The Prairie's departure will leave three United States warships in Dominican waters, the gunboats Yankton, Petrel and Nashville.

BANK CASHIER SUICIDES

Paducah, Ky., Nov. 29.—While bank examiners were investigating his accounts today Emmett Bagby assistant cashier of the City National bank here went to the basement of the bank building and shot and killed himself.

ARREST FOUR MEMBERS OF BIG GANG OF ROBBERS

DETECTIVES RECOVER OVER \$10,000 WORTH OF STOLEN GOODS

Capture Results in Discovery of Barn Full of Loot Consisting of Automobiles, Motorcycles, and Merchandise in General.

CHICAGO, NOV. 29.—Arrest today of four men alleged members of a formidable gang of robbers, resulted in the discovery in a barn of loot consisting of automobiles, motorcycles, bales of cloth, leather and merchandise in general, said to have been stolen in systematic raids on freight cars. The men in custody are Dr. Edward B. Stalhoutte, alias "Doc" Paulinus, alias Bismarck Stalhoutte, Dr. Nicholas H. Kern, Joseph Todd and Remy Doughy. Other arrests are expected. What is believed to be a complete list of the immense quantity of goods stolen was found by a police matron in the stocking of a woman taken with the men. It is alleged that automobiles stolen by the gang were traced to a farmer at Thawville, Ill., who disposed of cars shipped to him. It is said that Stalhoutte is known also to the St. Louis police.

RECOVER \$10,000 WORTH OF PROPERTY

Detectives have already recovered \$10,000 worth of stolen property following revelations by Todd, who led them to a warehouse, where great quantities were lying preparatory to being put on auction. Todd's statements relative to the wholesale hauling of goods led the police to believe that the robbers worked in "two gangs" and that the workings of the other gang were secret from the other; that one part of the gang did the stealing while the others disposed of the property and that a master mind was the "director of operations."

"I never learned where the thefts were committed," Todd is said to have declared. "Some times the loot was hauled to my barn during my absence, while on other occasions I was directed by Stalhoutte to a neighboring corner to drive a wagon load of stolen property which had been left there by strange men."

Stalhoutte denied connection with the robbers.

The arrests were made after months of investigation by railroad and city detectives. It is said that the detectives have several railroad employees under suspicion.

That half a million dollars in property has been stolen by a syndicate of twenty thieves headed by two physicians now under arrest with two others at detective headquarters, is the assertion of officers who have been following the trail of the thieves today are Dr. Nicholas Kern, Dr. Edward B. Stalhoutte, Joseph Todd and Remy Doughy. The property it is declared was systematically taken from railroads, warehouses and steamship lines, and consisted of automobiles, motorcycles and loads of merchandise of every description.

Loot amounting to \$10,000 already has been recovered from barns and warehouses. A little boy, adopted son of one of the alleged thieves, is said to have given the information that led to the disclosure of the hiding places. The boy told where the books of the syndicate were to be found. A remarkable ledger said to have been kept by the "manager" of the organization showed just what property the system had on hand. A merchandise of three columns of figures showed the cost prices of the goods, the selling price, the cost of delivering the goods for auction and sale and the profit accruing to the gang.

AFTER 19 YEAR INCARCERATION

BATTLE IS BEGUN FOR RELEASE

"Lifers" at Joliet After Serving Long Years Now Begin Legal Struggle for Freedom — Said to Have Been Convicted on Faulty Evidence.

Chicago, Nov. 29.—After serving nearly 19 years in the Joliet penitentiary for the murder of Patrick Prunty and his son James, a legal battle was begun in Judge Henry V. Seaman's court today in an attempt to liberate Thomas McNally, 63 years old, and Charles Kurth, 45 years old, who were sentenced to life imprisonment for the crime.

The murder occurred on Nov. 15, 1893. Edward Warden was found guilty in connection with the same murders but he died thirteen years ago, a short time after he had been pardoned.

It is charged by the counsel for the convicted men, that former Assistant State's Attorney Robinson, who conducted the prosecution suppressed the testimony of witnesses who claimed that the men sentenced were not the murderers.

In a dying statement Warden declared his innocence and also that of the men who are now fighting for liberty. He declared they were together at a rooming house at which they lived at the time of the crime.

CYRUS KIRK DEAD

Des Moines, Iowa, Nov. 29.—Cyrus Kirk, president of the Equitable Insurance company of Iowa died here tonight. Mr. Kirk had been a resident of Des Moines since 1867, being in turn a blacksmith, grocer, grain buyer and miller. He entered the employ of the insurance company in 1875, worked in all capacities and was elected president seven years ago.

ARMISTICE WILL BE SIGNED IN FEW DAYS

Cessation of Hostilities for Fortnight May be Agreed to Sunday

BULGARIANS SAY LITTLE

Whether Armistice Will Effect Whole Field or Only Tcha-talja Lines is Unknown

WORK FOR PEACE SOLUTION

LONDON, NOV. 29.—Constantinople tonight reports the probability of a fortnight's armistice being signed by Sunday by the peace plenipotentiaries who are negotiating for a cessation of hostilities between the Turks and the allies. From the Bulgarian side there has been no news today concerning the peace negotiations except the vague statement that they are making satisfactory progress. Nothing has transpired as to whether the proposed armistice will affect the whole field of war operations or only the Tcha-talja lines. The news today of the surrender of two entire divisions of Turkish reserves to the Bulgarians in the neighborhood of Demotica, a short distance south of Adrianople, after severe fighting shows there are still large isolated bodies of Turkish troops unaccounted for which must be considered in arranging an armistice. The allies are said to have large numbers of men who are proceeding in Greek transports for the gulf of Saloniki either for Gallipoli Peninsula, which separates the dardanelles from the Aegean Sea or to join the allied army at Tcha-talja. No news has been received concerning these transports as yet and the disposal of the men they carry in event an armistice is arranged would present some difficulty.

Although it is not yet safe to assume that an armistice is in sight the fact that the negotiations continue at Baghtache and that apparently no definite time limit has been fixed as to the duration of the existing suspension of hostilities tends toward the belief that a peaceful solution of the trouble is approaching.

There were no fresh developments today concerning the proposed conference between the powers on the Balkan situation or concerning the dispute between Austria and Serbia as to the occupation by the latter country of a port on the Adriatic.

May Be Signed in Few Days

Constantinople, Nov. 29.—A formal armistice for a fortnight is now within sight, according to an official announcement made tonight.

"The pourparlers at Baghtache are proceeding in a satisfactory manner and there is reason to hope an armistice may be signed in day or two," the announcement said. The information was given out following a meeting of the council of ministers which was in session from 6 to 10 o'clock. It was called to discuss a report submitted by Osman Nizami Pasha, the grand vizier, by Osman Nizami Pasha, senator Damed Ferid and Mustafa Rehad Bey, minister of the interior who went to Baghtache this morning and conferred with the peace plenipotentiaries and returned to the capital this evening.

Prior to the meeting of council of ministers the grand vizier had an audience of the Sultan and also visited the British and Russian ambassadors.

FIRE DESTROYS PROVISION HOUSE

OF ARMOUR & CO. AT CHICAGO

Blaze at Union Stock Yards in Basement of Provision House Spreads Rapidly—Firemen Succeeded in Controlling Flames.

Chicago, Nov. 29.—Fire tonight destroyed the provision house of Armour & Co., at the Union Stock Yards causing a loss estimated at \$200,000. The blaze started in the basement of the provision house and rapidly spread through the structure. At one time it was feared the fire would spread to the fertilizer plant adjoining, but by hard work the firemen succeeded in confining the blaze to the provision house.

The scene of tonight's fire was less than 100 feet from the site of Morris & Co.'s warehouse which was destroyed by fire December 22, 1910, when Fire Chief James Horan and twenty-one of his men lost their lives.

Three firemen and two employees of Armour & Co. were overcome by smoke and ammonia fumes in tonight's fire but were revived later.

TYPHOON SWEPTS PHILIPPINE VILLAGE

Washington, Nov. 29.—A typhoon swept Visayas, Philippine islands, several days ago, and carried away three-fourths of the town of Tacloban the capital of Leyte, according to a despatch received today at the insular bureau from the governor-general of the Philippines. No details of the disaster were told in the brief report and no estimate was made of the loss of life. War department officials say, however, that there is no reason for believing that a great number of lives were lost.

MAKES REVOLTING CONFESSION OF CRIMES

BEGAN CRIMINAL CAREER OVER TWENTY YEARS AGO

J. F. Hickey Captured by Police in Buffalo is Apparently a Man With Dual Personality — Claims Whiskey Caused it All.

BUFFALO, N. Y., NOV. 29.—The accidental killing of a man in Lowell, Mass., 20 years ago was given tonight by John Frank Hickey, in a signed confession as the starting point of a career of debauchery and crime during which he murdered two boys and assaulted many others.

Hickey's victims, according to his confession were Ed. Morey of Lowell, Mass., poisoned with laudanum over 20 years ago; Michael Krucke, 12 years old, a New York newsboy strangled in Central park in 1902 and Joseph Josephs, the 7 year old son of George Josephs a merchant of Lackawanna, killed in a similar manner October 12th, 1911.

"The details of Hickey's last two crimes are too revolting to make public," said District Attorney Dudley. "Hickey apparently is a man with a dual personality. He is intelligent. He is now overcome with remorse and says that he can't comprehend what possessed him to commit the crimes. He asserts that he became a maniac only when filled with whiskey."

Today when Hickey agreed to sign a confession and was taken to the district attorney's office through the tunnel connecting the county jail and the city hall, used today for the first time since Leon Czolgosz was taken through it after being sentenced to death for the assassination of President McKinley.

In the presence of Mr. Dudley, the sheriff and a stenographer, he went over the details of his crimes. In addition to the murders Hickey confessed to many assaults and attempted assaults on small boys. He insisted that all his crimes were committed while he was drunk. Whenever he became intoxicated he felt a desire to kill small boys. His victims were tortured before being killed.

The killing of Morey in Lowell, according to Hickey's confession, was accidental. He was then a clerk in a drug store and Morey frequently begged him for whiskey.

To get rid of the man one day Hickey said, he put laudanum in the whiskey intending to make him sick but Morey, weakened by dissipation, died. This crime, preyed upon his mind, for years, Hickey said, ultimately drove him to drink.

The district attorney said Hickey's confession came from his lips without much persuasion.

"There was no resort to the so-called third degree," he said. "Hickey became quite confidential with me and at times would tell portions of his story. Finally he launched into a detailed history of his crimes."

"He told of the accidental killing of Morey. This he said, was followed by periods of remorse that he sought to alleviate by drinking. Bit by bit the stories of the other crimes came out until he finally broke down and between sobs told me how he murdered the Josephs and Krucke boys."

HIGH TARIFF ON POTATOES BY

RAILROADS BOOSTS COST OF LIVING

Says Price Will Rise if Railroads Are Permitted to Put Into Effect New Schedule on Potatoes.

Chicago, Nov. 29.—The cost of living is to be increased by a rise in the price of potatoes if railroads are permitted to put into effect a new classification according to a protest made to the interstate commerce commission today by H. E. Rohn, representing Chicago commission merchants. Mr. Rohn testified before Examiner John S. Burroughs, who is making an investigation in regard to the rail rates on potatoes from Minnesota and Wisconsin to points west of the Mississippi river. The new schedule is under suspension by the commission.

"The new tariff which the railroads wish to put into effect," Mr. Rohn said, "will make an unjust advance in the price of potatoes to the consumer and make the income of potato raisers dwindle to a point where the industry will become unprofitable."

The inquiry is the result of many complaints made by Minnesota potato raisers and Chicago potato dealers. The new classification and rules regarding the shipment of the product was intended to go into effect November 1st. A suspension order by the commerce body is holding the higher rates in abeyance until there is a decision by the commission.

LAD KILLED BY AUTO

Chicago, Nov. 29.—Mrs. E. R. Williams of Kenilworth, yesterday surprised her nine-month-old baby and a twelve-year-old boy, the victims of an automobile accident in her arms during a thrilling race to a hospital. The boy died shortly after the race ended. His skull was fractured and he was injured internally. He has not been identified. The automobile in which Mrs. Williams was riding ran over the boy. It was immediately stopped, the injured boy placed in the machine and he was rushed to a hospital.

MAY CREATE HOUSE BUDGET COMMITTEE

To Have Jurisdiction Over All Estimates for Annual Expenditures

Resolution Will be in Opposition to President's Budget Proposal Which He Will Submit

30 MEMBERS IN COMMITTEE

WASHINGTON, NOV. 29.—A revolutionary reform in the entire fiscal scheme of the government so far as the provision of funds for governmental expenditures is concerned is projected in a resolution to be presented in the house at the coming session by Representative Shirley of Kentucky the third ranking Democrat on the house appropriations committee. Representative Shirley's resolution introduced at the last session contemplates the creation of a budget committee in the house which shall have original jurisdiction over all estimates for annual expenditures, and shall allot to the various appropriation committees of the house the amounts available for the various branches of the government services. Every effort will be made to have the measure operative with the advent of the new Democratic administration, Mr. Shirley said today.

The resolution will run counter to the budget proposals of President Taft which will be submitted to congress in a special message just before the Christmas holidays. The president contemplates a general budget scheme by which the estimates of the various departments for expenditures will be submitted to the house in bulk, with a general statement of the country's financial condition.

"For years," said Mr. Shirley today, "I have been endeavoring to secure in the house a method of considering estimates for appropriations in a more modern scientific way in order that congress and the country might appreciate the purpose for which such moneys were needed and might have in advance some accurate idea of the general totals, together with a knowledge of probable revenues."

Chairman Henry of the rules committee said he was in sympathy with the purposes of the Shirley resolution and that he believed favorable action by the committee on the resolution or one along similar lines, could be secured at the coming session. The resolution would create a committee consisting of the chairman and ranking minority member of each of the house committees handling appropriation bills the chairman and ranking minority member of the ways and means, and the chairman and ranking minority member of the rules committee. Under the Shirley resolution there would be thirty members of the budget committee. Mr. Henry thinks this would be too bulky and favors a committee of 18 to 20.

While the Democratic congressmen planned a budget system at the capitol, the president today spent two hours going over the estimates for the next fiscal year with his cabinet and planning the budget message which he will send in with a sample budget statement to be prepared by the Economy and Efficiency commission just before the Christmas holidays. The house in the last legislative, executive and judicial appropriation bill provided that the estimates shall be submitted to the house in the usual form so that President Taft will send both the regular estimates the proposed budget showing proposed expenditures and expected revenues.

"The house," Mr. Shirley said, discussing President Taft's proposal, "will never brook any usurpation of the power of the collecting and expending the government funds by the executive officials of the government."

The president's scheme and that of Representative Shirley both may furnish points for the finished measure, perfected in the house.

COLLEGE CAMPAIGN MAKES FINE START

\$10,000 PLEDGE FROM JULIUS E. STRAWN GIVES IMPETUS TO MOVEMENT.

Workers for Illinois Woman's College Subscriptions Believe Half of Sum Wanted Will Be Had by Noon Today — Headquarters on West State Street Present Busy Scene.

The formal announcement made Friday by the board of trustees of Illinois Woman's college of the subscription of \$10,000 by Julius E. Strawn toward the Jacksonville campaign fund for the college gave decided impetus to the movement. At noon there was a gathering of the solicitors at luncheon for conference and from the way the actual work of solicitation started off it is very likely that the half way point will be reached by noon today. If you hear whistles blowing and bells ringing about 12 o'clock today you can put it down that \$30,000 of the \$60,000 Jacksonville and Morgan county are expected to give has been pledged.

Mr. Strawn in giving \$10,000 is aiding in a great educational work. He is helping build up an institution which is a great business asset of Jacksonville and giving at this early state of the campaign his generosity will probably serve as an example for others. Mr. Strawn was largely instrumental in bringing Dr. Harker to Jacksonville when the latter came from Waverly to Whipple academy. Mr. Strawn believed at that time that Joseph R. Harker would make good in college educational work and the splendid achievements of Dr. Harker in the past twenty years have proved the correctness of Mr. Strawn's judgment.

At the luncheon Friday there was a large attendance of workers. E. E. Crabtree, chairman of the endowment committee presided and explained something of the plan outlined for solicitation. Dr. Harker made it clear why the college must have the money asked and Dr. Harker for the educational board of the church emphasized the wisdom of the board in requiring that colleges have endowment and made it clear that neither he nor Dr. Harker receives any portion or percent from the money contributed. Every dollar goes to the college treasury. At the conclusion of the brief addresses chairman of committees began arranging for the work of solicitation and a goodly number of workers were busy during the afternoon. Still others will be out this afternoon.

The headquarters at 231 West State street now present a busy scene. The room has been decorated with flags and with college pennants and a number of desks are arranged in a convenient way while a long luncheon table is in the rear part of the room. Several secretaries and stenographers are at work and the chairmen and members of soliciting teams will make their headquarters there.

At a meeting of the college trustees held there Friday morning several matters were discussed and the following formal action was taken. To the Jacksonville Committee of the Illinois Woman's College Forward Movement, Greetings and Good Cheer. The local trustees, resident of Jacksonville assembled in called session at 9:20 o'clock this morning, November 29, 1912, send greetings and good cheer to the Jacksonville Campaign committee.

We beg to announce officially the subscription of \$10,000 legally signed and witnessed, by our neighbor and fellow citizen, Mr. Julius Strawn. This subscription was first made public yesterday at the Thanksgiving dinner at the Illinois Woman's college. It is a splendid and has but one condition, namely: That the amount of \$60,000 shall be pledged by Jacksonville and Morgan county, on and before the first day of March, 1913.

This is a splendid start on our program to raise \$60,000 in Jacksonville and Morgan county. It is the opinion of this local board that if one-half the total amount of \$60,000 can be announced at noon tomorrow, it will give such an impetus to the movement that its final and complete success will be assured.

To this end we suggest that you make special effort to procure subscriptions from those persons whom you consider able to give in larger sums, this afternoon and tomorrow forenoon.

The final interests of the Woman's college are involved in this movement and we are fully conscious of our responsibilities as trustees. You may depend upon us to render every possible assistance and aid toward the successful issue of the campaign for \$60,000 in Jacksonville and Morgan county, during these days.

BREX KALL SHIPPING RECORDS
Duluth, Minn., Nov. 29.—The shipping season ended today and all records are broken. The Ashland figures are not yet available but it is known that they exceed the shipments of last year.

From Duluth, Superior and Two Harbors, considered the American head of the lakes, the margin in favor of this year's increases over that of last year is 10,849,908 tons.

PLAY FOR CONDEMNED MAN.
San Quentin, Cal., Nov. 29.—Ed. Williams, an Indian, was hanged here today after the prison band had given a three-hour concert in the death chamber for his benefit.

Williams murdered his sweetheart Inez Brooks, in a drunken frenzy and shot several other persons. Last night Williams, who at one time was a musician, made his last request that the band play for him. The prison orchestra was sent for and played far into the night for the entertainment of the doomed man.

EASTERN STAR ENTERTAINS WORTHY GRAND MATRON

Gathering of Local Chapter in Honor of Mrs. Cassie Gregory Orr of Chicago—Banquet is Held.

The local order of Eastern Star was honored Thursday evening with a visit from the worthy grand matron, Mrs. Cassie Gregory Orr of Chicago. She was accompanied by Grand Patron Sam M. Pitch Jr. and wife, Past Grand Matron, Mrs. Hester M. Smith of Mound City, Ill., all of whom were entertained at the home of Miss Bertha L. Wright, who is worthy matron and grand organizer of the organization. Norman Waltrip of White Hall, president of the Eastern Star and Masonic home board of Macon, Ill., was among the officers present.

Work was given by the degree team to four candidates, Mrs. E. W. Chrisman, Miss Luella Chrisman, Miss Maude Chrisman and Mrs. Dollie McKee. Talks were given by grand officers present after which there was a grand march, led by Brother C. P. Ross and Mrs. Orr. Following the march a sumptuous banquet was served, the hall being decorated in the season's effects. The committee in charge of the banquet was composed of Mrs. W. A. Crowley, Mrs. W. H. Wright, Mrs. Homer Rowland and Mrs. I. Nifong. They presented the grand matron with a bouquet of chrysanthemums and a souvenir spoon.

Twelve different chapters were represented and among the guests present were: H. H. Harding, Mrs. Loughman, Nell Harding, Mrs. J. H. Hubbs, Annette Rea-ick, Helen Rearick, H. J. Looman, W. S. Rearick, Mr. McDonough, Mrs. J. J. Elmore, Mrs. Nell M. Silver, Lucille Harding, Leo Walbaum and J. H. Hubbs, Ashland; Ella Stauffer, Barry; Emma McDonough, Lucille Mox, Clara Collins, Jessie Langdon, Mr. and Mrs. Edward Rousey, Bonnie Wainwright and Mrs. Will Pierce, Winchester; Dr. Louis Neville, Leo Wegehoff, Emma Yost, Clara Streuter, and J. H. Berger, Mercedosa; Edith Chapin, Jessie Griswold, Gertrude Day, Agnes Weltray, White Hall; Minnie Green, Canton; Mrs. J. H. Campbell, Catherine Caldwell, Virginia; Mary H. Drake, Minnie McEthen, Margaret Fell, S. M. Drake, Orlie Roberts, Roodhouse; Mrs. C. C. Guinn, Peabody, Kan.; Mrs. Sallie Wyatt, Franklin.

NO TRACE OF MURDERER.

Pittsburgh, Nov. 29.—Efforts today to trace the murderer of Lillian Schade, aged 12, whose body, cut and bruised, was found in a reservoir near Ardmore, a suburb last night were futile. The child left her home after school Wednesday to purchase supplies for Thanksgiving dinner. That she was cruelly treated and thrown into the reservoir probably unconscious was established by a coroner's autopsy today.

HYDE FOUND GUILTY.

New York, Nov. 29.—Chargel H. Hyde, former city chamberlain was found guilty of bribery in connection with the performance of his duties as a city official. The jury which has been hearing his case in the supreme court rendered its verdict shortly before midnight after nearly three and a half hours deliberation. After his counsel, John B. Stanchfield, had asked for and obtained the privilege of making such motion on the case on Wednesday next as he deemed proper, the "pedigree of the former chamberlain was taken." Hyde answered the questions in a clear voice. When he came to be lead away he flushed and walked with drooping head to the door.

TWO MORE INDICTED.

Portland, Ore., Nov. 29.—E. J. S. McCallister, attorney, and Harry S. Stuart, a physician, were indicted by the grand jury here today in connection with the crusade waged by the officers of the juvenile court against persons accused of depraved habits. Thirty indictments in all were handed in by the members of the grand jury, eleven defendants being mentioned while in two cases charges were lodged against single individuals. Four indictments were withheld pending service.

ENGLISH LEADERS ELECT.

Chicago, Nov. 29.—The National Council of Teachers of English tonight selected Fred N. Scott, University of Michigan, president; Prof. J. F. Hosie, Chicago, secretary.

Among other officers chosen is Miss Ada Grundy of Illinois as member of the directors. Miss Ida S. Simonson of the state Normal at DeKalb, Ill., one of the speakers, said the best course to teach was literature and the things the boys and girls best understood was the best to teach.

AGAIN USE ACID ON MAIIS.

London, Nov. 29.—Despite the close watch which had been inaugurated by the police, suffragettes again tonight destroyed the contents of various mail boxes by pouring chemicals into them. They even invaded the general postoffice where acids were placed in several boxes. In the financial section where the contents of the mail boxes are always valuable, numerous pieces of mail were destroyed.

FLIES OVER KENTUCKY.

Caruthersville, Mo., Nov. 29.—Leaving Cairo, Ill., this morning, Tony Jannus, accompanied by W. H. Trefts, a photographer, flew in his hydro-aeroplane, following the Mississippi river, past the western boundary of Kentucky and tonight is resting here, opposite the shores of Tennessee. He covered the 125 miles between Cairo Caruthersville in two jumps, landing only once, at Columbus, Ky., 100 miles north of here. The aviator plans to resume his trip to New Orleans in the morning.

FED MANY OF THE HUNGRY.
According to the announcement, a free feast was given Thanksgiving day at the fire department headquarters and over two hundred were fed. The men who prepared and served the good things so much enjoyed were Ray Fernandes, Alex Howard, Earl Butcher, Charles DeSilva and James Samples and they seemed to have as much pleasure in setting forth the savory morsels as the people who did the eating.

Forty gallons of fine burgoo soup went down hungry throats in addition to sandwiches and coffee. The first at the tables which were set in the lobby of the council room were a lot of small boys and they attacked the good things with the appetite of childhood. All sorts of people ate and no one was asked regarding his claims on the generosity of the day. Several tramps were hunted up and fed and one man ate eight bowls of soup before he stopped, saying he had had nothing to eat for three days. No one was stinted but served all as he desired and doubtless more than one person who would otherwise have fared scantily or gone hungry enjoyed a good meal at the city building and the men in charge had the satisfaction of doing a good deed.

REVIVAL MEETING WILL CLOSE SUNDAY EVENING

Series of Evangelistic Efforts at the Central Christian Church Will Last Only Through This Week.

The series of meetings which have been in progress for some time under the leadership of the pastor, Rev. Clyde Darsie, will come to a close Sunday evening. Last night a good audience was present and the singing was spirited. The preacher took for a subject, "Reasons for Public Confession." His text was Romans 10:10, "For with the heart man believeth unto righteousness and with the mouth confession is made unto salvation." Under the four reasons as follows: the pastor-evangelist made some splendid points: (1) Jesus Requires Public Confession; (2) It Strengthens the Church; (3) Its Influence to the Outside World; (4) Best Good to the Convert Himself.

Thanksgiving night there was a large audience present and the subject presented was "A Crown of Thorns." It was a word picture of the trial and crucifixion of Jesus.

Last night there were two baptized and three confessions. Sunday night will be the last of the series of meetings and the subject will be "Why I Am a Disciple of Christ."

Best values for the money in clothing and furnishing goods. Knowles.

READY FOR THE WORK.
Woman's Auxiliary Held Conference Friday Afternoon—Addressed By Dr. Hancher.

An enthusiastic meeting of the Woman's Auxiliary was held at the Woman's College headquarters on West State street Friday afternoon, with an attendance of about forty ladies who will give assistance during the campaign for endowment.

The president, Mrs. Reeve, was in the chair. Minutes of the organization meeting were read by the secretary, Miss Mary Price, after which Dr. Hancher was introduced and he spoke with inspiring power of the purpose and worth of earnest, faithful effort in behalf of the endowment for the successful issue of the labor begun in Jacksonville.

The announcement of the generous gift of \$10,000 by Mr. Julius Strawn was received with prolonged clapping of hands and expressions of deep appreciation of the generous subscription.

A general discussion of the work to be undertaken was followed by a motion that the Woman's Auxiliary set the goal for its helpfulness in the campaign at \$10,000. The motion was carried by a unanimous rising vote.

Adjournment was taken to meet at the call of the president, after which without any solicitations, a number of subscriptions were volunteered and the announcement greeted with manifest delight.

VISITED IN WHITE HALL.
Hiram Johnson and family went to White Hall Wednesday evening to stay over Thanksgiving with Mr. Johnson's father, Rev. A. J. Johnson. The latter was away with his daughter conducting a series of meetings, but returned home to partake of the duck that weighed fifteen pounds. This seems like a big weight but Mr. Johnson says the figures are correct.

MARTHA WOOD COTTAGE BURNS.
Iven Wood, who resides in the Pisgah neighborhood, received word Friday from Upper Allen stating that the Martha Wood cottage at Shortleaf college burned Friday morning. The cottage was occupied by about thirty girl students of the college, but luckily most of them were spending their Thanksgiving vacation at their homes and those who were there escaped without injury. This cottage was built in 1880 and was called the "Martha Wood Cottage" in honor of Mrs. Martha Wood, another of Iven Wood, who subscribed a large amount of money for building it.

Have You Begun to Prepare Your Christmas List

We are equipped this season as we have never been equipped before, to take care of the holiday trade. Our store will be without question the most popular store to procure useful gifts for every member of the family. Of special interest will be our display of "Ivoroyd" Toilet Articles. This ware so closely resembles real ivory it takes an expert to detect the difference. It has the beauty and utility of ivory, but is much lower in price. You will find such articles as tie rings, whisk broom holders, clocks, manicure sets, combs, brushes, mirrors, etc., etc. This department is a Christmas shop within itself, and contains hundreds of useful things suitable for gifts.

The Price Range of "Ivoroyd" goods is from 25c to \$2 for Single Articles. Sets as Low as \$3 and on up to \$8

PERCY FUNK RECEIVES GUN SHOT WOUND IN LEG

Son of Mr. and Mrs. Patrick Funk of Riggsport, is Accidentally Shot by Companion.

Percy Funk, the 14-year-old son of Mr. and Mrs. Patrick Funk, of Riggsport, was accidentally shot Friday at noon, by a rifle in the hands of Franklin Matthews. These two boys in company with several others, were leaving the store at Riggsport and going west. The Matthews boy stumbled and fell and the 22-calibre rifle went off, the ball going clear through the Funk boy's leg, above the ankle. The wound was dressed by Dr. H. H. Fletcher of Winchester and is quite painful. It will be some two weeks before the leg can be used again. The youth is congratulating himself that he escaped being killed.

Knowles will make it pay you to call and inspect and invest in clothing.

CHICKEN PIE SUPPER.
The Ladies' Aid society of Ebenezer church held a Thanksgiving chicken pie supper Thursday evening at the home of Mr. and Mrs. Charles Patterson. During the evening there was a musical program and reading by Rev. Mr. Houch and Clyde Williamson. There was a musical number by a male quartette composed of Judge Waldman, C. A. Rowe, Ed Williamson and W. W. Gillham. Mrs. Ed Williamson is president of the society.

MARTHA WOOD COTTAGE BURNS.
Iven Wood, who resides in the Pisgah neighborhood, received word Friday from Upper Allen stating that the Martha Wood cottage at Shortleaf college burned Friday morning. The cottage was occupied by about thirty girl students of the college, but luckily most of them were spending their Thanksgiving vacation at their homes and those who were there escaped without injury. This cottage was built in 1880 and was called the "Martha Wood Cottage" in honor of Mrs. Martha Wood, another of Iven Wood, who subscribed a large amount of money for building it.

FACULTY MEMBERS OF "BIG NINE" CONFERENCE MEET

Set Dates of Future Athletic Events—Will Probably Discuss Michigan's Application Today.

Chicago, Nov. 29.—Without even discussing the proposed return of the University of Michigan to the Western Intercollegiate conference, faculty representatives of the "Big Nine" adjourned tonight after a six hour session to meet again tomorrow morning. It was said the Michigan problem would be taken up before final adjournment tomorrow. Chicago obtained the thirteenth annual outdoor track and field meet of the conference. It will be held here June 7. The indoor track meet went to Northwestern university and will be held on the third Saturday in March. The cross-country run went to Ohio State university but the date will not be announced until later. Prof. A. G. Smith of Iowa was elected chairman of the conference. Prof. T. F. Moran of Purdue university was re-elected secretary. The committee on the selection of football officials made its annual report and the same members were re-elected.

Prof. A. G. Smith of Iowa is chairman of the committee, other members R. E. Wilson of Northwestern university and Prof. Moran of Purdue.

C. O. Molander of the University of Chicago, who was declared ineligible last year because he officiated at a basketball contest and received compensation, was reinstated.

Professor James A. Paige and Prof. J. F. A. Pyre of the University of Wisconsin were appointed a committee to make recommendations for the purpose of curtailing transportation expenditures of teams to athletic contests.

While no overtures were made by representatives of the University of Michigan for its return to the conference, Prof. Moran said tonight that the question would be more than likely to be discussed at the session tomorrow when it is believed, application will be presented.

Chicago, Nov. 29.—The conference voted 6 to 3 against a resolution introduced by Prof. James Paige in favor of allowing students in combined courses to participate in athletics after having received the first academic degree. The re-affirming of the old rule against the competition of graduate students was interpreted as a firm stand against any weakening of the present statutes.

Iowa was Minnesota's staunchest friend on this resolution which was introduced by Prof. A. G. Smith, of the University of Iowa, at the meeting held in Chicago October 12th. Prof. Paige affirmed that the rule was a hardship toward students who enter the professional schools after completing their undergraduate work.

LITERALLY SCARED TO DEATH. Des Moines, Nov. 29.—Because mental suggestions told him that harm confronted himself and wife, William B. Howes, formerly a Des Moines traveling man, killed himself at Los Angeles, Calif., January 4, 1911. This at least is the decision which Federal Judge Smith McPherson reached here today which is written in his decision of the case. So great was this mental suggestion of coming evil, holds Judge McPherson that the man preferred death to meeting it.

The case came before the local court on the suit of the wife to collect life insurance. The court denied the claim.

Howes was a student of and believer in mental telepathy.

Roman Masons' Tools. The excavations at Pompeii and Herculaneum have unearthed masons' tools much resembling those in use today and demonstrated the free use of large tiles, the employment of iron to tie together brick and stone work and the use of a kind of concrete of which lime was the binding medium and finely broken brick a favorite material. The dome of the Pantheon, built in the first century of the Christian era, still testifies to the enduring nature of the concrete superstructure, albeit bound with lime and not with cement.—National Magazine.

Artistic Ability. "By the Sea" is a very pretty title for your picture," said the interested onlooker. "But the sea is too green, and the waves are too fluffy." "That's so," replied the artist. "I'll paint some branches and twigs into it and call it 'The Woodland Way.'"—Washington Star.

What Troubled Him. "I've tried all kinds of health foods, but none of them seems to fit my case." "What is it you are troubled with?" "An appetite."—Boston Transcript.

FITZGERALD'S FINANCIAL DEALINGS ARE DISCUSSED BY WITNESSES

Member of Commission Firm Explains Former Sub-Treasurer Employee's Speculations in Egg Deals.

Chicago, Nov. 29.—Nathan H. Loeb, secretary and treasurer of a commission firm testifying in the case of George W. Fitzgerald in connection with the disappearance of \$173,000 from the sub-treasury, said that Fitzgerald made more than \$4,000 in egg deals. In 1907 he invested \$2,601 as margins on six cars of eggs and made about \$215. In 1908 he invested \$2,824.50 on seven cars of eggs. With James and John Gordon of Lake Forest, he invested \$1,233.75 additional on three cars. The combined profits for 1908 totalled about \$4,000 according to the witnesses.

Mr. Loeb testified that on July 16, 1902, Fitzgerald deposited \$500 in currency with his company and received a check for the same amount in return. Part of the money invested in eggs was also in currency according to the testimony. Speaking of the 1908 egg transaction, Mr. Loeb said:

"Mr. Fitzgerald told me that if he held the eggs longer he could have made \$5,000 more. He said he needed the money for the purchase of his home."

Harold Osborne, formerly a bond teller for a Chicago bank, testified that his company had purchased two Chicago City Railway bonds Feb. 25th, 1910, from a man who gave the name of James W. Taylor. A check given in payment for the bonds was identified by Cashier Theodore H. Dauer, a teller in the Lake county trust savings bank, Hammond, Ind., as one deposited there by Fitzgerald.

YOUNG MOTHERS

No young woman, in the joy of coming motherhood, should neglect to prepare her system for the physical ordeal she is to undergo. The health of both herself and the coming child depends largely upon the care she bestows upon herself during the waiting months. Mother's Friend prepares the expectant mother's system for the coming event, and its use makes her comfortable during all the term. It works with and for nature, and by gradually expanding all tissues, muscles and tendons involved, and keeping the breasts in good condition, brings the woman to the crisis in splendid physical condition. The baby, too, is more apt to be perfect and strong where the mother has thus prepared herself for nature's supreme function. No better advice could be given a young expectant mother than that she use Mother's Friend; it is a medicine that has proven its value in thousands of cases. Mother's Friend is sold at drug stores. Write for free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

RASH ALMOST COVERED FACE

And Arms. Terrible Itching, Blistering Sores on Arm and Limbs. Could not Sleep. Used Cuticura Remedies. Entirely Rid of All Skin Eruptions.

Warrenville, O.—"I have felt the effects of blood poisoning for eighteen years. I was never without some eruption on my body. The terrible itching caused me much suffering and discomfort, while the rubbing and scratching made it worse. Last spring I had a terrible breaking out of blistering sores on my arms and limbs. My face and arms were almost covered with rash. I could not sleep. My face was terribly red and sore, and felt as if my skin was on fire. At last I tried a sample of Cuticura Soap and Cuticura Ointment and I found them so cool, soothing and healing that I got some Cuticura Soap, Cuticura Ointment, and Resolvent. I bathed with hot water and Cuticura Soap, then I applied the Cuticura Ointment every night for two months, and I am entirely cured of all skin eruptions." (Signed) Mrs. Kathryn Kraft, Nov. 28, 1911.

Cuticura Soap is best for skin and hair because of its extreme purity, delicate yet effective medication, and refreshing fragrance. It costs but little more than ordinary soaps, wears to a wafer and gives comfort and satisfaction every moment of its use, for toilet, bath and nursery. Cuticura Soap and Ointment are sold everywhere. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

For tender-faced men should use Cuticura Soap Shaving Stick, 25c. Sample free.

COLD STIMULATES RETAIL TRADE

GOOD PROSPECT FOR HOLIDAY SEASON OF EXTRAORDINARY ACTIVITY.

Trade Has Been Stimulated by Recent Cold Weather, Enlarged Crop Movement and Expansion in Holding Buying.

New York, Nov. 29.—R. G. Dun & Co. Weekly Review of Trade tomorrow will say:

November has been in many respects the best month this country has ever experienced and every prospect is pleasing for a holiday season of extraordinary activity. The demand for iron and steel products rises higher than the productive and transportation resources of the trade. Owing to the existing car shortage steel mills find it difficult to make promised deliveries and the inadequate shipping facilities actually constitute a serious drawback. Labor troubles in the Pittsburgh district also have interfered somewhat with operations at certain plants. In all important branches however an active business is reported and new orders received are in great volume. Several of the smaller companies are out of the market for the first quarter of the coming year. Current indications point to maximum records of production in 1913. It is believed that by the end of the present year exports will figure close to 3,000,000 tons. There still is a scarcity of crude steel and premiums are paid for prompt supplies, with \$26.50 and \$27.

The situation in the dry goods market is eminently satisfactory. Prices are well maintained and in some lines additional advances are established. Demand for cotton goods steadily broadens and with many mills well sold up and primary stocks much reduced jobbers are being forced to place business further ahead to insure the deliveries wanted.

Bradstreet's Report.

New York, Nov. 29.—Bradstreet's tomorrow will say:

Trade continues to move at a swift pace, owing to improvements in rail distribution the returns are invested with a greater degree of uniformity than was heretofore visible. Jobbers as well as wholesale dealers are, if anything, more active, while retail trade has been stimulated by cold weather, enlarged crop movement and expansion in holiday buying. Virtually all sections save the South Atlantic states, where the cotton crop is short join in sending favorable tidings in leading lines the nub of the situation is compressed in the statement that active demands face short supplies, which fact makes it patent that consumption has for the time outrun production and that previous conservative buying is reflected in present insistent demands for prompt supplies. Re-orders from surplus crop moving sections are featured in the reports, while demand for textiles for present and future shipment is such as to make for wide-spread activity in manufacturing circles. Indeed, industrial operations continue brisk and in the iron and steel lines complaints of inability to get material, as and when promised, are very general.

Business failures in the United States for the week ending November 28th, were 274 against 268 last week, 210 in the like week of 1911, 217 in 1910; 230 in 1909 and 234 in 1908.

JACKSONVILLE EASILY DOWNED BY SPRINGFIELD ELEVEN

Locals Play Good Football Early in the Game, But Went to Pieces in the Last Half.

The football season for the Jacksonville High school eleven ended disastrously when Springfield swamped them Thanksgiving day by a score of 41 to 0. The Springfield Register in speaking of the contest, says:

"The teams were evenly matched in weight and it was a hard fought contest from start to finish. Jacksonville won the toss and decided to receive the ball. Lawless made gains around the ends and Adkinson showed that he was quite able to fill the position of right half back, although his regular place is at end. Armbruster's punts in the first quarter helped the team out of many a tight place. The quarter ended with the score 0 to 0, and both teams playing hard, steady game.

Scored in Second Quarter.

The second quarter was more encouraging for the supporters of the red and black. Helme scored a touchdown in the first few minutes of play and Lawless kicked goal from a very difficult angle.

Friskie's tackling in the second quarter saved the day for Springfield and Adkinson continued to make good gains. Later on in the quarter, Armbruster, who had been playing a good steady game at quarter, scored 6 points on a touchdown. Lawless again kicked goal. Shortly after the ball was put in play the whistle blew signalling the end of the half.

Locals Increased Score.

The third quarter started with both teams playing desperately, but the exceptionally clean way in which both teams fought could not but be commended by all those who were present. Armbruster was the star of the third quarter, and when he made a sensational run up the field for 40 yards the entire body of Springfield students rose from their seats in one long, rousing cheer. After this play the Jacksonville representatives seemed to lose their nerve and Springfield had things pretty much its own way. Helme scored a touchdown and Lawless made a noble attempt at goal, but it had to be tried at such an angle that he failed. In the next few minutes Springfield played a lively game and went right through the visiting team as though they were empty air. Schneider was put in, in Adkinson's place at right half back and shortly after the quarter ended with the score 20 to 0 in favor of the Springfield aggregation.

The fourth quarter started out well for Springfield. Burdick, re. Stewart, (captain), lg; Hall, lt; Johnson, lg; Maddox, qb; Reeve, rh; Reid, fb; Cannon, lb.

I gave him Foley's honey and Tar Compound, and the first few doses had a remarkable and almost immediate effect. A few more doses cured him. Yes indeed I can recommend Foley's Honey and Tar Compound." In the yellow package. City Drug Store, J. A. Obermeyer.

SOME SUGGESTIONS FOR CHRISTMAS GIFTS.

As a matter of accommodation to book lovers, the public library has borrowed from various publishers some of the most notable books of the year. These will be upon exhibition in the main lobby during the next two weeks and persons considering buying books are urged to look them over. The books are not for sale and no orders are taken at the library, but persons are urged to buy through the local dealers. Orders for Christmas books should be given very early in December if good service is demanded, for traffic becomes congested at this season and express and freight may not arrive when expected.

The library will also show some older books which are of permanent interest, such as, the best books on

oriental rugs, bird and star study, old furniture and old china, gardening and other fads.

The exhibit of children's books which is an annual feature of the library's work should receive consideration from all who realize the importance of the careful selection of children's reading. Books are not generally available for careful examination and those which are to be read by children should certainly be examined by an older person. The busy person who wishes to buy a book for a child cannot take time to do this thoroughly at a book store; but this work has already been done for the public by the person who has charge of the children's department of the public library. Why not make use of the work which she has already done at the expense of much time and trouble

A NIGHT OF TERROR.

Few nights are more terrible than that of a mother looking on her child choking and gasping for breath during an attack of croup, and nothing in the house to relieve it. Many mothers have passed nights of terror in this situation. A little fore

thought will enable you to avoid all this. Chamberlain's Cough Remedy is a certain cure for croup and has never been known to fail. Keep it at hand. For sale by dealers.

James Theric, Iron River, Mich., says of Foley's Honey and Tar Compound: "This winter both my children and I were troubled with bad coughs. We used Foley's Honey and Tar Compound and it promptly cured us. I can recommend it as a good cough and cold cure." Contains no opiates. City Drug Store, J. A. Obermeyer.

A WORTHY CITIZEN.

One of the worthy citizens of Woodson precinct is Harvey Sorrells, member of one of the solid families of the county. (Mr. Sorrells is past the allotted three score and ten years yet he is strong and active though he could hardly chop as much cord wood or cut as much corn in a day as he could forty years ago. He is able to look back on a well spent life and enjoys a good digestion, a clear conscience and his three meals a day all right.

ROYAL BAKING POWDER

[From a series of elaborate chemical tests.]

Comparative digestibility of food made with different baking powders:

An equal quantity of bread (biscuit) was made with each of three different kinds of baking powder—cream of tartar, phosphate, and alum—and submitted separately to the action of the digestive fluid, each for the same length of time.

The percentage of the food digested is shown as follows:

Bread made with Royal Cream of Tartar Powder:

99 Per Cent. Digested

Bread made with phosphate powder:

67½ Per Cent. Digested

Bread made with alum powder:

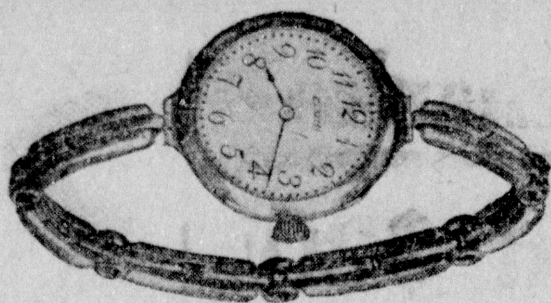

67 Per Cent. Digested

Royal Baking powder raised food is shown to be of greatly superior digestibility and healthfulness.

HAVE NARROW ESCAPE

FROM AUTOMOBILE

Buggy in Which Logan Black and William Boland Were Riding Hit By Machine.

Thursday evening as Logan Black was driving to the city in a single buggy with William Boland he suffered a collision that was simply miraculous in the small extent of damage done though the results were serious enough.

It was near the lane running north just east of the residence of Theodore Tyrrell when Mr. Black says he thought he heard the sound of an automobile behind him but seeing no light he supposed it must be a long distance to the rear. He turned somewhat to the right so as to be ready to get out of the way when the machine would arrive when all at once without a second's warning an automobile crashed into the rear of his rig, pitching him and Boland forward and starting the horse off at a mad pace. Mr. Black managed to get hold of one line and pulled on that, turning the horse into the entrance to Mr. Smith's place where the buggy hit a post, throwing out the occupants, demolishing the rig and setting the horse free. The animal was caught later somewhat scared but not seriously injured.

Mr. Black and Mr. Boland escaped with severe bruises and scratches but for a wonder sustained no serious injury. The driver of the auto was going without lights as they failed to work and it was too dark for him to see any one ahead of him. He didn't try to get away but declined to give his name but Mr. Black took the number of the car and calling up the garages of the city found the owner was S. D. Beerup of Alexander having with him in the machine, young Mr. Strawn, the auctioneer and another person.

Yesterday however Mr. Beerup visited Mr. Black and told him to have the buggy and harness repaired and he would pay the bill. The damage to the horse is hard to estimate as it is a \$200 animal and so gentle in the past that women drove him right along but now Mr. Black doesn't know what the animal will do.

It seems almost a miracle that Mr. Black and Mr. Boland were not worse hurt. The automobile was in condition to proceed to town and was but little damaged.

BAD BREATH.

It's Your Duty to Get at the Cause and Remove It—A Word to the Wise, You Know.

Dr. Edwards' Olive Tablets, the substitute for calomel, oil the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant sugar-coated tablets are taken for bad breath by all who know them.

Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system of impurities.

They do all that dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Olive Tablets without gripping, pain or disagreeable effects of any kind.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Olive Tablets are a purely vegetable compound mixed with olive oil. Take one every night for a week and note the effect.

"Every little Olive Tablet has a movement all its own." 10c and 25c per box.

COMING EVENTS AT GRACE CHURCH.

Next week is to be a busy week at Grace church. On Monday night the first quarterly conference of the new year will be held. District Superintendent McCarthy will preside.

On Tuesday night Rev. Jesse Thornton will deliver an address on "The Bible and How to Study It." Rev. Mr. Thornton has discovered a most interesting method of Bible study that will be a great benefit to Bible students. An invitation to all Bible classes and Christian organizations is extended for this address, Tuesday evening. The admission is free and a free will offering will be taken.

On Wednesday night Rev. J. W. Miller will discuss the subject "The Method of Certain Success in Building Up the Church." After the address the method will be inaugurated. This is of interest to every church member.

On Thursday night the ladies of the church will serve one of their good suppers to which the general public is invited.

Mr. Hiram Steele, 628 N. 6th St., Terre Haute, Ind., writes: "I came down with a severe case of kidney trouble. I had to rest in bed for a night, there was pain and much sediment, puffs under my eyes, back pained terribly, and I was dizzy. Foley Kidney Pills cured me quickly, and I feel 100 per cent better." Declare War on Colds.

A crusade of education which aims "that common colds may be- come uncommon within the next generation," has been begun by prominent New York physicians.

Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

"Don't sit in a draughty car."

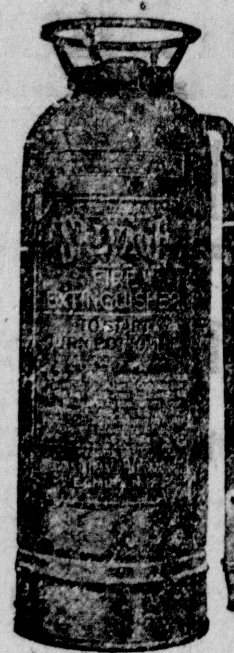

"Don't sleep in hot rooms."

"Don't avoid the fresh air."

"Don't stuff yourself at meal time. Overeating reduces your resistance."

To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all dealers.

About His Meals

Has Perfect Digestion from the Use of a Well-Known Remedy That All Can Obtain.

The temper of the family and the good cheer around the table, depend so much on the good digestion of each individual present that the experiences of some former dyspeptics who overcame their trouble should be of interest to those now suffering in this way.

The best advice one can give—but it is advice that is seldom heeded—is to eat slowly and masticate each mouthful carefully. However, if slow eating and careful mastication fail, the next aid is one close to nature, Dr. Caldwell's Syrup Pepsin. This remedy is an excellent digestant, and in addition to helping in the digestion of the food, acts gently on the liver and bowels, ridding them of the accumulation of waste that should long ago have been passed off. It is safe, reliable, pleasant-tasting, and results are guaranteed.

In the opinion of such people as Mr. G. M. O'Neal, Hamilton, O., and Mrs. Justine Wolden, 41 35th St., Milwaukee, Wis., it is the ideal remedy for indigestion, no matter how severe, constipation, no matter how chronic, biliousness, headaches, gas on the stomach, drowsiness after eating and similar annoyances. You can obtain a bottle at any drug store for fifty cents or one dollar, the latter size being bought by heads of families already familiar with its merits.

When you use Syrup Pepsin you will see the fallacy of chewing mints and tablets or of taking cathartics, salts, pills and similar drastic medicines. Unlike these, Syrup Pepsin

MR. G. M. O'NEAL.

does not lose its good effect, and by automatically training the stomach and bowel muscles to do their work, soon restores these organs to normal.

If no member of your family has ever used Syrup Pepsin and you would like to make a personal trial of it before buying it in the regular way of a druggist, send your address—a postal will do—to Dr. W. B. Caldwell, 413 Washington St., Monticello, Ill., and a free sample will be mailed you. Results are always guaranteed or money will be refunded.

Strong Healthy Women

The woman is strong and healthy in a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are unfitted for motherhood. This can be remedied.

Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the period of expectancy and makes baby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have testified to its marvelous merits.

It Makes Weak Women Strong. It Makes Sick Women Well. Honest druggists do not offer substitutes, and urge them upon you as "just as good." Accept no secret nostrum in place of this non-secret remedy. It contains not a drop of alcohol and not a grain of habit-forming or injurious drugs. Is a pure glyceric extract of healing, native American roots.

CELEBRATION OVER GIFT.

The Woman's college girls had a celebration in chapel Friday morning because of the gift of Julius Strawn of \$10,000. This being the first large gift on the endowment fund. After hearing the announcement the students composed several endowment songs to the tune of Marching Through Georgia. They sang these songs and gave praises to Mr. Strawn. They also made an announcement of a mass meeting that will be held some time soon.

The following was the endowment song:

The Endowment Song.
Bring a rousing spirit, girls, to cheer the fund along;
There's other ways than money for to help the cause along;
A hundred eighty thousand will be coming right along—
If we keep shouting endowment.

Chorus:
Hurrah, hurrah—there's nothing we can do,
Hurrah, hurrah—it rests with me and you.
We're Woman's college daughters and to her we will be true—
So we keep shouting endowment.

See our friends responding when they hear our Prexy's call:
Their hands go in their pockets—can't you hear the dollars fall?
Everybody's working and they answer one and all,
While we keep shouting endowment.
(Chorus.)

January, February, March, April, May and June;
The ball has been set rolling—who will keep it on the boom?
The final day of triumph will be on the Fourth day of June,
'Cause we've kept shouting endowment.

(Chorus.)
Strawn has given 10,000 of the 60 from the town,
He's made himself beloved and his name will have renown,
To him we now do honor, and his name shall ever go down,
Strawn, Strawn, Strawn for endowment.
(Chorus.)

KNIGHTS OF PYTHIAS OFFICERS.
Favorite lodge, Knights of Pythias, has nominated officers for the ensuing term as follows:

Scripture Lesson—Psalm 33.
Invocation—Rev. J. Geo. Reed.
Duet—Misses Alma and Edna Ogle.

Reading—Miss Bonnie Smith.
Solo—Miss Grace Reed.
Duet—Misses Golden and Marie Longhary.

Song—Doxology.
Lord's prayer.

Sixty guests were present and the evening was spent in playing games and social conversation.

Elegant refreshments were served and the society realized the neat sum of \$8.75.

Those present from a distance were: Mr. and Mrs. Abe Petefish of Springfield, Rev. J. Geo. Reed and daughter Grace, Mr. and Mrs. Jas. A. Smith, Spencer and Austin Smith and families of Concord, Harry Barber and wife of North Prairie.

Mr. and Mrs. Henry Braner entertained Mr. and Mrs. J. J. Goodpasture, Chester Braner and family, H. E. Barber and wife, Thanksgiving day.

A sumptuous dinner was served to which all did ample justice. The afternoon was spent in a social manner.

Russell Ogle was the recipient of a large number of Thanksgiving post cards sent by members of the Grace Chapel Sunday school and other friends.

Russell is getting along as well as can be expected under the circumstances. We will all be glad when he can be among us once more.

Some one in need of fresh meat entered Sampson Hall's smoke house one night and took a hog which he had just butchered. They tracked them to the road north of the house where it was supposed they entered a rig which they had waiting for them.

Mr. Black and Mr. Boland escaped with severe bruises and scratches but for a wonder sustaining no serious injury. The driver of the auto was going without any lights as they failed to work and it was too dark for him to see any one ahead of him. He didn't try to get away but declined to give his name but Mr. Black took the number of the car and calling up the garages of the city found the owner was S. D. Beerup of Alexander having with him in the machine, young Mr. Strawn, the auctioneer and another person.

Yesterday however Mr. Beerup visited Mr. Black and told him to have the buggy and harness repaired and he would pay the bill. The damage to the horse is hard to estimate as it is a \$200 animal and so gentle in the past that women drove him right along but now Mr. Black doesn't know what the animal will do.

It seems almost a miracle that Mr. Black and Mr. Boland were not worse hurt. The automobile was in condition to proceed to town and was but little damaged.

BAD BREATH.

It's Your Duty to Get at the Cause and Remove It—A Word to the Wise, You Know.

Dr. Edwards' Olive Tablets, the substitute for calomel, oil the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant sugar-coated tablets are taken for bad breath by all who know them.

Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system of impurities.

They do all that dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Olive Tablets without griping, pain or disagreeable effects of any kind.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Olive Tablets are a purely vegetable compound mixed with olive oil. Take one every night for a week and note the effect.

"Every little Olive Tablet has a movement all its own." 10c and 25c per box.

COMING EVENTS AT GRACE CHURCH.

Next week is to be a busy week at Grace church. On Monday night the first quarterly conference of the new year will be held. District Superintendent McCarthy will preside.

On Tuesday night Rev. Jesse Thornton will deliver an address on "The Bible and How to Study It." Rev. Mr. Thornton has discovered a most interesting method of Bible study that will be a great benefit to Bible students. An invitation to all Bible classes and Christian organizations is extended for this address, Tuesday evening. The admission is free and a free will offering will be taken.

On Wednesday night Rev. J. W. Miller will discuss the subject "The Method of Certain Success in Building Up the Church." After the address the method will be inaugurated. This is of interest to every church member.

On Thursday night the ladies of the church will serve one of their good suppers to which the general public is invited.

Mr. Hiram Steele, 628 N. 6th St., Terre Haute, Ind., writes: "I came down with a severe case of kidney trouble. I had to get up too often at night, there was pain and much sediment, puffs under my eyes, back pained terribly, and I was dizzy. Foley Kidney Pills cured me quickly, and I feel 100 per cent better. City Drug Store, J. A. Obermeyer."

AND KILBANE MATCHED.

Declare War on Colds.

A crusade of education which aims "that common colds may become uncommon within the next generation," has been begun by prominent New York physicians.

Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

"Don't sit in a draughty car."

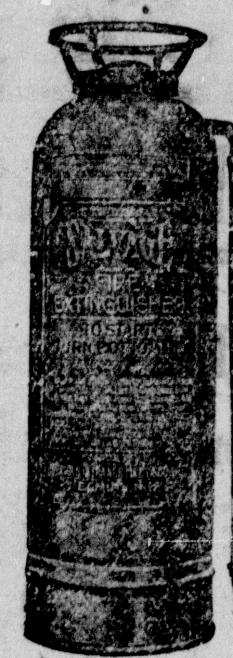

"Don't sleep in hot rooms."

"Don't avoid the fresh air."

"Don't stuff yourself at meal time. Overeating reduces your resistance."

To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all dealers.

About His Meals

Has Perfect Digestion from the Use of a Well-Known Remedy That All Can Obtain.

The temper of the family and the good cheer around the table, depend so much on the good digestion of each individual present that the experiences of some former dyspeptics who overcame their trouble should be of interest to those now suffering in this way.

The best advice one can give—but it is advice that is seldom heeded—is to eat slowly and masticate each mouthful carefully. However, if slow eating and careful mastication fail, the next aid is one close to nature. Dr. Caldwell's Syrup Pepsin. This remedy is an excellent digestant, and in addition to helping in the digestion of the food, acts gently on the liver and bowels, ridding them of the accumulation of waste that should long ago have been passed off. It is safe, reliable, pleasant-tasting, and results are guaranteed.

In the opinion of such people as Mr. G. M. O'Neal, Hamilton, O., and Mrs. Justine Wolden, 41 35th St., Milwaukee, Wis., it is the ideal remedy for indigestion, no matter how severe, constipation, no matter how chronic, biliousness, headaches, gas on the stomach, drowsiness after eating and similar annoyances. You can obtain a bottle at any drug store for fifty cents or one dollar, the latter size being bought by heads of families already familiar with its merits.

When you use Syrup Pepsin you will see the fallacy of chewing mints and tablets or of taking cathartics, salts, pills and similar drastic medicines. Unlike these, Syrup Pepsin

MR. G. M. O'NEAL.

does not lose its good effect, and by automatically training the stomach and bowel muscles to do their work, soon restores these organs to normal.

If no member of your family has ever used Syrup Pepsin, and you would like to make a personal trial of it before buying it in the regular way of a druggist, send your address—a postal will do—to Dr. W. B. Caldwell, 413 Washington St., Monticello, Ill., and a free sample will be mailed you. Results are always guaranteed or money will be refunded.

Strong Healthy Women

If a woman is strong and healthy is a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are unfitted for motherhood. This can be remedied.

Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the period of expectancy and makes baby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have testified to its marvelous merits.

It Makes Weak Women Strong. It Makes Sick Women Well. Honest druggists do not offer substitutes, and urge them upon you as "just as good." Accept no secret nostrum in place of this non-secret remedy. It contains not a drop of alcohol and not a grain of habit-forming or injurious drugs. Is a pure glyceric extract of healing, native American roots.

CELEBRATION OVER GIFT.

The Woman's college girls had a celebration in chapel Friday morning because of the gift of Julius Strawn of \$10,000. This being the first large gift on the endowment fund. After hearing the announcement the students composed several endowment songs to the tune of Marching Through Georgia. They sang these songs and gave praises to Mr. Strawn. They also made an announcement of a mass meeting that will be held some time soon.

The following was the endowment song:

The Endowment Song.

Bring a rousing spirit, girls, to cheer the song along;

There's other ways than money for to help the cause along;

A hundred eighty thousand will be coming right along—

If we keep shouting endowment.

Chorus:

Hurrah, hurrah—there's nothing we can do,

Hurrah, hurrah—it rests with me and you.

We're Woman's college daughters and to her we will be true—

So we keep shouting endowment.

See our friends responding when they hear our Proxy's call:

Their hands go in their pockets—can't you hear the boom?

Everybody's working and they answer one and all,

While we keep shouting endowment.

(Chorus.)

January, February, March, April, May and June;

The ball has been set rolling—who will keep it on the boom?

The final day of triumph will be on the Fourth day of June,

'Cause we've kept shouting endowment.

(Chorus.)

Strawn has given 10,000 of the 60 from the town,

He's made himself beloved and his name will have renown,

To him we now do honor, and his name shall ever go down,

Strawn, Strawn, Strawn for endowment.

(Chorus.)

SERIOUS ERROR IN JACKSONVILLE.

Jacksonville Citizens Will Do Well to Profit by the Following.

Many fatal cases of kidney disease have reached an incurable stage because the patient did not understand the symptoms. Even to day in Jacksonville there are many residents making the serious error. They attribute their mysterious aches and pains to overwork, or worry, or perhaps, when all the time their rheumatic pains, backache and bladder irregularities are most probably due to weak and ailing kidneys. If you are ill, if your kidneys are out of order profit by this Jacksonville resident's experience.

Miss Mary Flynn, 836 Beesley avenue, Jacksonville, Ill., says: "Doan's Kidney Pills are a splendid remedy and act just as represented. I had sharp pains in the small of my back and also had backache which showed that my kidneys were unnatural. Since I used Doan's Kidney Pills, I have had none of these troubles."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Best Quality at Economical Prices

In buying merchandise we consider genuine quality, first, last and all the time!
In pricing merchandise we consider your pocket-book, first, last and all the time!

The regular prices on men's Suits and Overcoats are even better than the "sale prices" of other concerns. And our fine Suits and Overcoats will compare—quality to quality, workmanship to workmanship, materials to materials—with any line of clothing you can find in the city. We want you to see our clothing—merely see it—read the price tags yourself—then you'll be prompted by your best judgment what to do.

Unquestionably the Better Clothing Values Are Found Here!

GENERAL MARKET NEWS

RUMOR OF PEACE TERMS GAVE WHEAT NEW SETBACK

Low Point of Season Was Reached
—Corn Kept Steady—January
Pork Shows Market Decline.

(By Associated Press.)
Chicago, Nov. 29.—Rumors that
peace terms had been reached with
Turkey put a finishing touch today
to a declining market for wheat.
Prices closed at a loss of 1/2 to 3/4
cent. Latest trading left corn
unchanged to 1/4 cent higher, oats off
1/4 to 1/2 cent and provisions varying from
the same as Wednesday night to
7 1/2c down.

Wheat touched its lowest point
when the course of British consols
appeared to confirm reports that
Turkey and the allies had come to
an agreement. Later despatches less
pacific in character were not gener-
ally known in time to give material
aid to the bulls. Huge receipts of
wheat northwest of here gave the
market reason for weakness from
the start. There were also reports
of fine weather in Argentine and
these more than offset conflicting
statements regarding storm damage.
May wheat ranged from 89 1/2 to 91c,
closing steady with 1/4 cent off at
90 1/2 to 90 3/4c. Corn rallied owing to
active buying credited to leaders on
the bull side. At first the market
was under the influence of fine
weather and of the depression in
wheat. May fluctuated between 47 1/2
and 48 1/4c, with the close steady
at 48c, the same as Wednesday night.
Liquidating sales by December
holds weakened oats all around.
May, which ranged for 32 1/2 to 33c,
closed at 32 1/2, a drop of 1/4 cent.
Stock yard houses were good sellers
all day. January pork showed
the most effect, a decline of 7 1/2c.

NEW YORK STOCKS.
New York, Nov. 29.—The highest
rate for call money in several years
was touched today, 2 1/2 per cent, be-
ing quoted just before the close.
Quotations fluctuated in an erratic
way throughout the day and the bulk
of the business was transacted at
figures considerably below the top.
The opening was at 6 per cent and
renewals were made at 7. After
mounting to 10 per cent the rate
fell back to 8. Late in the day the
quotations rose by leaps until 20 per
cent was touched in the last few
minutes. It was the highest rate
since January of 1908.
A flurry in money was not alto-
gether unexpected, although the
comparative ease at the opening and
the dip to 8 per cent after 10 per
cent was touched had lessened fears
of a squeeze. There were indica-
tions, however, that the recent scar-
city of funds might make itself felt
in some such way. Loans were made
today carried over into the new
week, and there were preparations
to be made for over \$100,000,000
December interest disbursement. An-
other unsettling factor was the
drain on this center by Canada and
the interior which threatens to
flood the surplus shown in last
week's bank statement. Forecasts

based on known movements of mon-
ey indicated a cash loss of from
\$4,500,000 to twice that amount.
The outgo of gold to Canada was
increased by an additional shipment
of \$500,000, bringing up the total to
\$1,750,000. The uncertain status of
money was an effective bar to specu-
lative activity in stocks and the
market was listless. The Harriman
stocks and Canadian Pacific were
higher and there were wide move-
ments in a few specialties with gen-
eral electric, Westinghouse and rub-
ber particularly strong. Otherwise
fluctuations were narrow. The flurry
in money was without effect on
stocks.

The Harriman lines, Canadian Pa-
cific and Northern Pacific reported
increases of round amounts in their
earnings for October. The earnings
of Union Pacific and Southern Pa-
cific the largest in their history.

ARMY AND NAVY IN ANNUAL BATTLE

BOTH TEAMS RESTED YESTERDAY FOR GRIDIRON SCRAP TO-DAY.

Big Crowd Will See Teams Line up This Afternoon For Annual Football Game—Trusty Toe of Keyes, Army Fullback, May Help Win Game.

Philadelphia, Nov. 29.—Both the army and navy football teams rested at their hotels here today, while thousands of their supporters crowded the lobbies discussing their relative merits and chances in tomorrow's contest. Men prominent in all branches of the government service are here to attend the game. Both the army and navy teams practiced on Franklin field. The navy squad devoted themselves to running through signals.

Keys, the army fullback, aroused the enthusiasm of his teammates and coaches by kicking ten successive field goals from the 30, 40 and 45 yard marks in practice. Both teams practiced in secret.

Betting has been rather light with slight odds in favor of the army.

The statistics, name, age, weight, height, etc., of the members of the navy squad are as follows:

Ritchie Wins by Foul.

San Francisco, Cal., Nov. 28.—Wabbling on leaden legs Ad Wolgast, conqueror of Battling Nelson, fouled Willie Ritchie twice in the sixteenth round of their fight at Peoria City today. With the wave of referee Jim Griffin's hand, which disqualified him, the lightweight championship of the world passed for the first time in Keeneberry history into the keeping of a California boy.

By his ring generalship, his courage, and splendid fighting ability, Ritchie won his spurs in the championship division. Through round after round of to-to-toe milling he earned clear title to the pugilistic crown he now wears with his warpsish left to the face and his stinging right cross.

Griffin without hesitating, rushed between the fighters, pushed Wolgast aside and raised Ritchie's hand in token of victory. The crowd at the ringside cheered him and hundreds rushed to shake his hand when he left the ring.

Wolgast had the better of seven of the rounds, four were even, and the remainder were easily Ritchie's. In the first two rounds the local outboxed the champion, in the fourth he outfought him, and in the tenth, which was really the turning point of the fight, he stood shoulder to shoulder with Wolgast and slugged to body and head. Wolgast had much the worst of the milling.

Cross Outpoints Nelson.

New York, Nov. 28.—Leach Cross outpointed Battling Nelson in a ten round bout today. The Dane took a great deal of punishment, but was forcing the fighting at the finish. Cross weighed 138 pounds at the ringside and Nelson was four ounces heavier. Cross started in with left jabs to the face and right and left hooks to the head. Nelson was outclassed, but managed to land hard on the jaw with right and left and had Cross crouching at the end of the initial round.

Rivers Comes Back in Great Form.

Los Angeles, Cal., Nov. 28.—Joe Rivers came through today with a sensational victory over Joe Mandot after twenty rounds of terrific milling.

Mandot showed excellent class, and it was the general opinion his skill and generalship would again prove too much for his opponent. Today found Rivers in his greatest form and the way he outfought and outclassed the New Orleans boy was truly astonishing.

Mandot can be credited with winning only three of the twenty rounds, while not more than four rounds were even. At the opening of the fifteenth round Rivers landed a heavy left hook which sent Mandot staggering, and then, like a tiger loose from his cage, Joe bore in desperately, and at three different stages in this round he had Mandot on the verge of the count. But the southerner came through safely, and with cool and deliberate judgment evaded the vicious slashing that Rivers was dealing out.

Mandot made a game and desperate effort to turn the tide, but Rivers had him smothered every time, besting him even at feinting and drawing out. In the final round Mandot fought his greatest, and hustled his opponent to prevent something of the sensation. It was a great battle, and one of the hardest fought ever witnessed. There was not a knockdown during the entire twenty rounds.

Called to Milwaukee.

The Hope congregation of Milwaukee, Wis., has sent a call to Prof. Karl J. Bruning, head of the parochial school of Salem Lutheran church of this city. A meeting to consider the matter of Prof. Bruning's release has been called at the Salem church for 2 o'clock Sunday afternoon. The gentleman has become much endeared to the people whom he has served for the past eight years and they would deeply regret to lose his services.

ILLINOIS WINS GREAT VICTORY

DEFEATS EAST LINCOLN ELEVEN BY SCORE OF 7 TO 6.

Football Fans Witness Most Brilliant Game Played on Illinois Field.

Illinois 22; Normal 0.
Illinois 7; Lincoln 0.

Illinois college closed the football season brilliantly Thanksgiving day when they trounced the fast and heavy Lincoln college eleven by a score of 7 to 6. This was the second time that Illinois turned the trick on Lincoln this year, the former score being 6 to 0. The contest turkey day will go down in the annals of football history as the hardest fought gridiron battle ever witnessed on Illinois field. With two elevens in the pink of condition, both trained to the highest notch possible, the contest was strenuous from first till last. Illinois completely swept Lincoln off their feet in the first quarter, making a touchdown in less than eight minutes after the whistle blew.

Lincoln's score came a minute and twenty seconds before the game was closed, and the score they made is questionable. It came about in this manner: Lincoln had the ball and McCurray punted to Stewart. Palmer, left end of Lincoln started down the field and ran into Stewart, before the ball had fallen into his hands. Taylor, right tackle of the visitors gobbled up the sphere and ran down the field, only to be forced out at the 10 yard line. From this point it was straight line bucks for the beefy Lincoln fellows, who soon had the ball over for a touchdown. Half a dozen former football players who were on the east side of the field, close to where Palmer pulled off the stunt, testified to the fact that Stewart was blocked before he reached the ball. The matter was referred to the umpire, but he said he didn't see it, therefore, the play stood. Barring this fact Lincoln would have had a zero opposite their name in the final score of the season.

Ever since it was known on College Hill that Lincoln was to be taken on Thanksgiving day, the varsity squad have been practicing in dead earnestness. The men seemed to realize from the jump that if the big team was to be conquered it meant hard work. To defeat a team like Lincoln, at the close of a football season means something. The visitors not only out-weighted Illinois by several pounds, but they are fast and their speed, together with their beef will wear down the best of an opponent. They have two men who tip the beam considerably over the 200 pound notch and something must give way when one of the giants is started through the line.

It was a revelation to the football fans to see the big improvement in the Illinois team. Coach Harmon has had his men studying the inside workings of the game, especially the defense side of the sport and the consistent work of both coach and players was decidedly evident in Thursday's game. Time and time again the Illinois men held the big fellows for downs and poked holes in their line at every angle. The Illinois men had that bull dog grip that never lets go of Weary Willie's pantaloonettes and McCurray, the big full back of the visitors was a living witness to the grip, for after two Illinois men had taken a grab at his trousers, they were ripped completely off and Mac had to borrow an overcoat to hide his nakedness, while he hiked in quick fashion to the dress room in the gym. The incident brought forth a stream of laughter and some souvenir hunter picked up a piece of the discarded "pants" as a remembrance of the amusing incident.

Every man on the Illinois team played a star game; they went in to win and it was nothing to see an Illinois man break through the line and grab his opponent. The whole truth about the game is that Illinois was better trained, else they never would have been able to show such action against the visitors. Tandy's work at center was an eye opener to the visitors and tackling of the Illinois men was superb. It was common to see two or three of the light Illinois men ahead of one of the big opponent tackles, who had such speed that he would carry the bunch along for several feet.

Right End Pierce took a lot of ginger out of Lincoln. The visitors had worked the ball close to goal line, when in making a pass Pierce got the ball on the bounce and almost ran the entire length of the field before he was downed by Roberts. The fans held their breath when McCurray tried to kick goal after the visitors had made their touchdown. It was a poor boot, the oval going to the side.

The following was the lineup:

Lincoln	Position	Illinois
Palmer	le	McLaughlin
Boone	le	Russell
McGough	lg	Lukeman
Roberts	c	Tandy
Kinsall	rg	Holmes
Taylor	rt	Ross
Fisher	re	Pierce
Porter	ob	Stewart
Bunn	lb	Sorelle
Graham (Capt.)	rh	Alford
McCurray	fb	Furr

Officials: Referee, Meredith; umpire, Richards; head linesman, Kirby. Time keeper, Prof. J. H. Ravhill and H. L. Nutter (Lincoln). 15 minute halves.

MORTUARY

Landreth.
Robert Landreth of Baylis died Friday morning at 9:30 o'clock at Passavant hospital, where he had been a patient for the past four weeks. Death was attributed to blood poisoning. While out hunting eight weeks ago Mr. Landreth stumbled and fell, tearing the ligaments of his left leg loose. Two weeks later he was taken ill with typhoid fever after which blood poisoning developed.

Robert Landreth was a son of John and Annie Landreth and was born August 25, 1869, on a farm six miles east of Winchester, February 3, 1891 he was married to Miss Agnes Thompson and the family resided in this city until six years ago when they removed to a farm near Baylis, Pike county. The deceased was quite an industrious man and had a large circle of friends who will extend their sympathy to the members of the family. He is survived by his wife and five children: Clarence J. Roy, Walter, Joseph and Mary Agnes Landreth. The following brothers and sisters also survive: Mrs. A. W. Dobbins of Los Angeles, Calif.; James Landreth of this city, Edward Landreth of Winchester and Mrs. C. H. Brown of Mt. Vernon. The remains were removed to the Gillham undertaking establishment and funeral services will be held at the First Baptist church Sunday afternoon at 2 o'clock in charge of the Masons. Interment will be made in Diamond Grove cemetery.

Dear.

Mrs. Josephine G. Dear, aged 75 years, died Friday afternoon at 4:45 o'clock at her home, 1202 South Main street, after a lingering illness, death being attributed to ailments incident to old age.

Mrs. Dear was born and reared in London, England, and shortly after her marriage to the late Edward Dear, they came to America settling in Jacksonville, where she has since resided. She is survived by three children: Josephine Blanche, wife of Dr. C. O. Kimball of Walla Walla, Wash.; T. Edward Dear of St. Joseph, Mo., and Miss Alice K. Dear of this city. Mrs. Dear was a devout member of the Episcopal church, but of late years she was not able to attend the church services on account of ill health. She made a large circle of friends during her long residence in this city, who will learn of her demise with deep regret.

Arrangements for the funeral will be announced later.

Little.

P. J. Quinlan received word Thursday morning announcing the death of his 5-year-old grandson, Walter James, son of Mr. and Mrs. C. E. Little of Springfield. The child died at 5 o'clock Thursday morning after only a few days' illness. Besides his parents he is survived by one brother, Elmo, and a sister, Margaret.

The funeral was held at 9 o'clock Friday morning, services being held at the family residence by Rev. Father Hickey. Interment was in Calvary cemetery.

Kinney.

Mayor Davis and a number of other citizens have heard with regret of the sudden death of Frank Kinney of Toulon. He died very suddenly Thursday from a hemorrhage of the brain. Mr. Kinney was well known in this city as he had been connected with the Cleveland Stone Co. for many years and was frequently here when paying contracts were let. Mr. and Mrs. Walter Davis were friends of his and had been guests at his handsome home in Toulon.

MATRIMONIAL

Mawson-Scott.

The marriage of Herbert R. Mawson and Miss Edna Scott took place Thursday evening at 6:30 o'clock at the home of the bride's parents, Mr. and Mrs. A. H. Scott, six miles west of Jacksonville.

The house was prettily decorated for the occasion, green and white being the color scheme and white being the rest of the house was autumn foliage and chrysanthemums. There were about forty guests present to witness the ceremony, which was said in an impressive manner by Rev. E. B. Hough, pastor of the West Jacksonville circuit. Following the marriage light refreshments were served.

Both bride and groom come from two of the oldest and best known families of that community. The young people belong to the Point M. E. church and they hold the confidence of everyone who knows them. They expect to reside on a farm at the foot of the Mound, and many will be the sincere good wishes extended this estimable couple in their new life.

Cline-Pevey.

George A. Cline and Miss Nora Pevey, both of the Woodson neighborhood were married Thanksgiving day by Rev. L. H. Williams at his home on South Clay avenue. They were attended by C. C. Thurston and Miss Della Cline and a number of their friends were present to witness the interesting ceremony. Both of the young people are highly esteemed by those who know them best. They will live on a farm near Woodson.

Francis-Evans.

Relatives and friends in the city have received word announcing the wedding of August Frances and Miss Ruth Evans, both formerly residents of this city, who were married Tuesday by Rev. Mr. Allen at his residence in Paris, Mo. The couple was attended by a few immediate relatives.

The bride is a daughter of Mr. and Mrs. W. H. Evans, formerly residents of this city, who now live at Paris, Mo., and her many friends in this city will be surprised to learn the news. The groom is a son of William Frances of Vienna, and both have a wide circle of friends who will extend their best wishes. Mr. and Mrs. Frances have gone to his home for a two weeks' visit and they will reside in Paris, Mo., this winter.

Wild-Sperry.

Walter M. Wild and Miss Minnie Edith Sperry, both of this city, were married Thursday evening at 8 o'clock at the home of the bride's parents on Duolin avenue. The couple was attended by Miss Alice Sperry, a sister of the bride, and Earl Harney of Woodson, a cousin of the groom, and the ceremony was performed by Rev. F. A. McCarty, district superintendent. The bride is a daughter of Mr. and Mrs. W. C. Sperry and has a large circle of friends. The groom has a position in the bridge department of the Burlington railroad and their many friends will extend congratulations.

Wild-Sperry.

The marriage of Walter M. Wild and Miss Edith Sperry took place Thursday evening at 8 o'clock at the home of the bride's parents, Mr. and Mrs. W. C. Sperry on Duolin avenue, Rev. F. A. McCarty, district superintendent of the M. E. church, officiating. The attendants were Miss Alice Sperry, a sister of the bride, and Earl Harney of Woodson, a cousin of the groom. Both young people are well known and have a host of friends who will wish them every happiness in their new life. The groom is employed in the bridge department of the C., B. & Q. railroad.

Vieira-Hocking.

David E. Vieira, son of Mr. and Mrs. John Vieira, and Miss Hazel Hocking, daughter of Mr. and Mrs. Richard Hocking, were married by Rev. Howard D. French of State Street church, at his home on West College avenue. They were attended by Mr. and Mrs. Joseph DeSilva. The groom is employed at Capps Mill and the young people have many friends in the city.

SOCIAL EVENTS.

A very pleasant family gathering took place at the home of Mr. and Mrs. Wall Mason Thanksgiving day, in honor of Mr. and Mrs. John Harwood, who have been here visiting for the past two weeks from Hunnewell, Mo. A delicious dinner was served. Games and music were enjoyed by all and the time came too soon to depart. Those present were Mr. and Mrs. George Mason and family, Mr. and Mrs. Lee Mason and family, Mr. and Mrs. Charles Young and family, Mr. and Mrs. John Harwood, Mr. and Mrs. John Daniels, Mr. and Mrs. Lee Scribner and family, Warren Daniels and Mr. and Mrs. Fred Rudisill and son Raymond from Springfield.

Miss Marion Undergraff was given a very pleasant surprise party Friday evening at her home on East Court street, the occasion being her eighteenth birthday. Various games furnished amusement for the evening and during the hours refreshments were served. Among those present were: Misses Mary Suttles, Mabel May, Edith Hillerby, Lane Johnson, Edith Selbert, Irene Hadden, Alice Gunn and Edna Lake.

Miss Corrine Piepenbrink was given a very delightful surprise Friday evening at her home on Hardin avenue, the occasion being her seventeenth birthday. The evening was very pleasantly spent with music and games and during the hours light refreshments were served. Among those present were: Misses Dorothy Kitter, Esther McCarthy, Lucille Jackson, Carrie Mackness, Marie Wiswell, Rhoda Wheeler, June Pone, Helen Obermeyer, Corrine Piepenbrink and Helen Wintler; Messrs. Harold Harney, Alfred Cox, Leonard Wood, Roland Kiel, Harlan Williamson, Lloyd Siebert, Warren Maddox, Harry Hadden and Lawrence Goveia.

A box social was given Friday evening at the home of W. C. Thompson, three miles east of the city, for the benefit of Salem Methodist church, and a large crowd gathered there to attend the social. Delightful music for the evening was furnished by Spillman brothers' orchestra and recitations were given by Harold Upchurch and Harry Thompson and Little Miss Violet Barber gave a song which was highly appreciated. A. D. Arnold acted as auctioneer and under his skillful management the twenty-five boxes were sold for \$32.50.

For several years it has been the custom of the members of the Hall family to meet and hold a reunion on Thanksgiving day and Thursday they were entertained at dinner at the home of Dr. and Mrs. H. L. Gris-

wold on West State street. An elaborate dinner was served and the afternoon was very pleasantly spent in a social manner. Among those present were Mr. and Mrs. George Wilson of Quincy, Mr. and Mrs. Albert Hall and children of Waverly, Mr. and Mrs. W. E. Hall, Julian and Harry Hall of this city.

Rev. and Mrs. W. L. Dorgan were given a very pleasant surprise Thursday evening at their home on West College avenue by about sixty members of the First Baptist church. Rev. Mr. Dorgan was away from home when the self-invited guests arrived and when he returned home he was completely taken by surprise to find such a large number of members of his congregation present. The members brought with them a large amount of canned fruit which they presented to the pastor and his wife and a very delightful social evening was spent.

Mr. and Mrs. Fred Grandjean entertained a limited company of friends at Thanksgiving dinner at their home in Alexander Thursday. Among those present were: Mrs. Charles Mantle of New Berlin, Mrs. James Wood of Springfield and Mrs. Clifford Strawn and daughter of Alexander.

The people know a good thing and that's why they trade with Knoles.

GAVE CHILDREN'S PARTY.

The members of the Young Ladies' Mission band of Northminster church met Monday evening with Mrs. Vincent Vieira on North Prairie street. All the members came in children's costumes and the plan evoked no little mirth. Mrs. John A. Scott received the prize for the best costume of a boy and Miss Jessie Vasconcellos, a girl. The evening proved delightful in every way and during the time light refreshments were served.

MRS. JOHN E. BRADLEY DIES AT HOME OF A FRIEND IN THE EAST

Wife of Former President of Illinois College Answers Final Summons Suddenly—Husband Died a Few Weeks Since.

Mrs. T. J. Pfitner received a telegram Friday night announcing the sudden death of Mrs. John E. Bradley of Randolph, Mass. It will be remembered that Dr. Bradley's life came to a close only a few weeks since and thus the husband and wife who lived so devotedly in this world are again united. No exact particulars of Mrs. Bradley's death are known here other than the fact that she passed away very suddenly at midnight Thursday at the home of Mr. and Mrs. Charles Weeden, where she had been a Thanksgiving guest. Mrs. Bradley's maiden name was Martha Gould and she was a member of a well known eastern family. During her residence in Jacksonville Mrs. Bradley formed many lasting friendships for her's was a character of exceptional beauty and forcefulness. Only a day or two since Mrs. Pfitner received a letter from her referring in a very beautiful way to Dr. Bradley's going.

FOOTBALL BANQUET AND GRIDIRON HOP

The annual football banquet and gridiron hop of Illinois college will be given Saturday evening, Dec. 7. The plan of holding both on the same evening is being carried out this year for the first time and will no doubt draw a large number of local and out of town alumni and former students. It is also expected that many friends and admirers of the team will attend both functions. The banquet will be held at 5:30 o'clock at Colonial Inn. Following the banquet and speech-making at the Inn, the gridiron hop will be held in the college gymnasium. Both these events promise to be largely attended and will prove a fitting climax to a most successful season.

STATE HOSPITAL CHIEF FACES RACE PROBLEM.

Colored Girl, Civil Service Appointee, Begins Work in Office.

Elgin Courier: The race question today threw Dr. Ralph T. Hinton, superintendent of the Elgin State hospital, into a perplexing puzzle.

Members of the clerical staff openly threatened to rebel because of the civil service appointment of a negro girl as a stenographer at the local institution.

Miss Edna Clanton of Decatur, Ill., was sent here by the state civil service commission in response to an urgent demand by Dr. Hinton for a stenographer to fill a vacancy.

Appearance of the negro girl with credentials from the civil service commission is said to have been a distinct shock to Dr. Hinton. He, however, having no alternative, put the girl to work.

Miss Clanton is declared an efficient stenographer.
